

YOUNG PRESIDENTS'
ORGANIZATION

<p>Honi Borden, CLS, LE is the owner of Derma Hair Care LLC, which is the first GREEN Medical Spa in the US recognized by Co-op America as a socially responsible company. Honi is a Certified Laser Specialist, Licensed Electrologist and Clinical Therapist who pioneered blending the organic field with medical aesthetics from holistic perspective with the focus of environment in mind. www.dermahaircare.com</p>	
<p>Hai Jin Kim, MD, is an integrative health physician currently practicing concierge medicine at Executive Healthcare Services in Reston, VA. Her interests include nutrition, women's health issues, environmental medicine and preventive care. In her spare time, she loves to read, hike, play the piano and travel. www.executivehealthcareservices.com</p>	
<p>Miriam Peters, RPH has been a pharmacist for 15 years and has worked for both major chain pharmacies and local independents. Her passion of working one-on-one with customers drew her to Village Green Apothecary, an independent and integrative pharmacy in Bethesda, MD, where she is the head pharmacist at Village Green. Miriam provides her customers a personalized blend of both traditional (ie, prescriptions) and alternative (ie, nutritional supplements) care, and is one of a handful of pharmacists that specialize in this integrative approach. www.myvillagegreen.com.</p>	
<p>Margo Schneider, M.S. Herbal Medicine holds a Bachelor of Science Degree in Biology and a Master of Science degree in Herbal Medicine. Her strong scientific background combined with extensive training in the clinical practice of Western Herbalism enables Margo to bridge the gap between conventional practitioners and traditional healers. As an herbalist at Village Green Apothecary, she provides comprehensive care to her clients by developing personalized health plans incorporating herbs, nutritional supplements, as well as dietary and lifestyle recommendations. www.myvillagegreen.com.</p>	
<p>Siddharth Ashvin Shah, M.D., M.P.H is medical director of Washington, DC-based <i>Greenleaf Integrative Strategies</i>. As an international physician-consultant, Dr. Shah blends his skills in integrative medicine, medical hypnosis, group psychology, trauma recovery, and stress management research to offer cutting-edge techniques such as neuropsychoeeducation, psychoneuroimmunology, guided meditations, and even laughter yoga to reduce extreme stress and bolster resilience. www.greenleaf-is.com</p>
